$\frac{1}{2} \alpha$

1. The first part of the paper is devoted to the study of the asymptotic behavior of the solutions of the system (1) as $t \rightarrow \infty$. It is shown that the solutions of the system (1) tend to zero as $t \rightarrow \infty$ if and only if the matrix A is Hurwitz.

1. The first part of the document is a list of names and dates, which appears to be a record of some kind. The names are written in a cursive script, and the dates are in a more formal, printed style. The list is organized into two columns, with names on the left and dates on the right.

$\lambda_1 = \frac{1}{2}(\sqrt{5} + 1)$, $\lambda_2 = \frac{1}{2}(\sqrt{5} - 1)$

1. The first thing I noticed when I stepped out of the car was the cold. It was a sharp contrast to the warm blanket I had been sitting under. I looked up at the sky, which was a pale, hazy blue. The air smelled clean, almost like a new beginning. I took a deep breath and felt a sense of peace wash over me. The world around me seemed to be holding its breath, waiting for me to take the next step. I smiled to myself and began to walk towards the horizon, feeling a sense of purpose and direction. The path ahead was clear, and I knew exactly where I was going. It was a journey of self-discovery, and I was ready to embrace every moment of it.

2. The second thing I noticed was the sound of the wind. It was a soft, whispering sound that seemed to be coming from everywhere and nowhere at the same time. It was a gentle reminder that I was not alone in this world. The wind carried with it the scent of distant lands and the promise of new adventures. I closed my eyes and listened intently, feeling the wind's touch on my skin. It was a magical moment, one that I would never forget. The wind was my guide, leading me towards the unknown and the possibilities that lay ahead.

3. The third thing I noticed was the feeling of freedom. It was a liberating sensation that filled my chest and spread throughout my body. I felt like I had been released from a long, dark prison and was now stepping into a bright, open world. The freedom was not just in the physical sense of being able to move without restrictions, but in the mental sense of being able to think and feel without limitations. I knew that this was my chance to live the life I had always dreamed of. I was no longer bound by the expectations of others or the constraints of a small town. I was free to follow my dreams and to create a life that was truly my own. The feeling of freedom was a gift, one that I would cherish for the rest of my life.

1. The first thing I noticed when I stepped
 out of the plane was the cold. It was
 like a giant hand reaching out to grab me.
 I shivered, but I didn't mind. I was
 finally home. I had been away for so long,
 and now I was back. I took a deep breath
 and smiled. I was home.

2. The second thing I noticed was the
 smell. It was a mix of old wood and
 fresh air. It was the smell of home.
 I had been away for so long, and now I
 was back. I took a deep breath and
 smiled. I was home.

3. The third thing I noticed was the
 sound. It was the sound of birds
 chirping and leaves rustling. It was the
 sound of home. I had been away for so
 long, and now I was back. I took a
 deep breath and smiled. I was home.

4. The fourth thing I noticed was the
 sight. It was the sight of my old house,
 now with a new roof and new windows.
 It was the sight of home. I had been
 away for so long, and now I was back.
 I took a deep breath and smiled. I was
 home.

5. The fifth thing I noticed was the
 feeling. It was the feeling of being
 home. It was the feeling of being safe,
 of being loved. It was the feeling of
 home. I had been away for so long, and
 now I was back. I took a deep breath
 and smiled. I was home.

6. The sixth thing I noticed was the
 taste. It was the taste of home. It was
 the taste of the food I had grown up
 on. It was the taste of home. I had
 been away for so long, and now I was
 back. I took a deep breath and smiled.
 I was home.

7. The seventh thing I noticed was the
 touch. It was the touch of home. It was
 the touch of the soft grass under my feet.
 It was the touch of home. I had been
 away for so long, and now I was back.
 I took a deep breath and smiled. I was
 home.

8. The eighth thing I noticed was the
 thought. It was the thought of home.
 It was the thought of the life I had
 lived. It was the thought of home. I
 had been away for so long, and now I
 was back. I took a deep breath and
 smiled. I was home.

9. The ninth thing I noticed was the
 feeling. It was the feeling of being
 home. It was the feeling of being safe,
 of being loved. It was the feeling of
 home. I had been away for so long, and
 now I was back. I took a deep breath
 and smiled. I was home.

10. The tenth thing I noticed was the
 taste. It was the taste of home. It was
 the taste of the food I had grown up
 on. It was the taste of home. I had
 been away for so long, and now I was
 back. I took a deep breath and smiled.

1. The first thing I noticed
 when I stepped out of the
 train was the cold air.
 It was a sharp contrast to the
 warm, humid air of the South.
 I had heard that the North was
 cold, but I didn't realize it would
 be so different. The people here
 were also different. They were
 more reserved and formal than
 the people I had met in the South.
 I was a Southerner, and I
 was used to a different way of
 life. I was used to a slower pace
 of life, a life where everyone
 knew everyone else's business.
 I was used to a life where
 the South was the center of the
 world. I was used to a life where
 the South was the only place
 that mattered. I was used to a
 life where the South was the only
 place that was home.

Ha

The first thing I noticed when I stepped
 out of the car was the cold. It was a
 sharp contrast to the heat of the car.
 I pulled my coat tighter around me and
 looked up at the sky. The stars were
 bright and clear, a beautiful sight.
 I took a deep breath and felt a sense
 of peace. The night was so still, so
 quiet. It was a perfect moment.
 I walked slowly, enjoying the feel of the
 ground beneath my feet. The air was
 crisp and clean. I felt like I was
 in a new world. The stars were so
 close, so reachable. I wanted to
 reach out and touch them. I felt a
 sense of wonder and awe. The night
 was so beautiful, so perfect. I
 felt like I was in a dream. The
 stars were so bright, so clear. I
 felt like I was in a new world.
